Commander's Corner

Hello Legion family,

This is it!! This is the last copy of the newsletter that you will receive in the mail. You shouldn't panic, we started touting the online route this last April and have been referring to it ever since. On the internet, go to:

www.alp351.com

(See the editor's notes for more information). The newsletter is available online 24/7 with updates as soon as they happen both online and on the bulletin board. Xerox copies will be available as usual in the lounge. For those who must have a copy mailed, contact the post, (239) 693-0351 and leave the info.

To our friends at Southwest Direct, who have worked tirelessly to put out our newsletter accurately and timely. a special thanks to (in alphabetical order): Brian Arsenault, Wilson Boyce, Rick Caesarino, Danielle Correnti, Nella DeCaesare, Jairo Gomez, Bruce Goodson, Kristine Haverly, Holly Lightner, Agnieszka Nowac, Cindy Pearce, Alex Pinero, Kelly Warren, Brian Williams and a very special "**Thanks**" to **Steve Urban**, our editor in chief.

Things just keep breaking. The compressor in the beer box puked for a mere \$831. A much needed new electric line \$200; thanks to Steve Leyes for the installation.

At our last meeting we decided to install a router for our computer so we can run another computer and fax at the same time in the meeting room for the membership to use. No XXX sites please!! (LOL). We also decided to buy a 40 something inch flat screen TV to raffle off and make us some \$\$\$. I originally had dated this to happen during the super bowl but, in order to capitalize on \$\$ the drawing will be held at a later date. You will be advised.

"Thanks" to Shari and Dan Dunn for having their family birthday party at our Post. The proceeds more than paid for the compressor. "Whew". "Thanks" To **Debbie** who worked on Christmas Day so that we could frolic and feast. "Thanks" again, to those of you faithful food donors who just keep on keepin' on. "Thanks" to Johnny and Mike for installing a vent to ease the pain on the compressor. "Thanks" to Vinnie for standing in as S.A.L. Commander while Charlie-me-boy is recovering. "Thanks" to Anne and Andy for the booze.

TAPS: Billy Fitzgerald, Frank "Bill" Bailey and Mike Robertson. Our deepest sympathies go out to your families. May they rest in peace.

Hope y'all had a great Christmas and New Years. Stay safe and healthy..

Yours in service,
Dave Doty

Auxiliary News

Happy New Year!!!

Who says "Morale is high"? **Post 351 does!!!** We had an impressive number of adults and children show up at the VA clinic to decorate at least 123 Christmas trees (I lost count). This was an **awesome** display of support and teamwork from our Post!!! Special thanks goes to the following who gave up their Saturday morning to decorate: Shalaya Murray, Devan Murray, Joe Sye, Robby Branham, "Monty" Montgomery, Kenton Greg, Thad Comings, Judy Crocker, Jan Bowmer, Louise Matson, Becky Montgomery, Mia Berger, Hailee Dunn, and District 13 Officers. Special Thanks to Mrs. Rainey's 4th grade class at Alva Elementary for supplying homemade decorations for the VA clinic!

We will be taking down the Christmas Decorations at the clinic on Saturday, January 8th. We will leave the Post at 8:30 or you can just meet us at the VA clinic.

We were able to ship 8 large boxes of supplies and goodies to Afghanistan for Christmas. Thanks to the Lee Memorial Health System for shipping them for us! The boxes were sent to Specialist Dylan Gallagher (Andy and Annie's relative) and Major Stephanie Robertson (Hoppy's relative).

Thanks to Shari and Dan Dunn for having her mother's (Cindy) 70th birthday party at the Post. Fun was had by all! The band (Sneaky Movz) did an excellent job keeping us entertained!

Thanks to Judy Crocker for helping decorate the Post for Christmas, to Richie and Lori for cooking the Christmas turkeys, Dan Woods for the ham, mashed potatoes and gravy and to all who brought covered dishes!

Thanks to all who have helped set up, clean up, brought in covered dishes, made monetary donations, brought in school and troop supplies, and in general helped make the Post a success this past year.

I look forward to working with all of you this coming year. Remember, if you have any ideas or suggestions please let me or one of the officers know.

Chuck Tyrrell passed away in Troy, New York on Jan. 7. 2011. He was are SAL Commander and ALP 351 vice commander. He will be missed by all – R.I.P Charlie – me boy.....

Please check our Home Page every month as we have new video links and other news of interest to our post members.

Conflicting reports are starting to filter in regarding connecting to our website. Some say that Yahoo is too complicated to navigate and that Google is the way to go. Others say that it's vice-versa. On several different computers, we tried Yahoo, Google, MSN, Centurylink and ASK.com as well as the address bar at the very top of the screen. The results were different (and interesting) on each computer, but we did locate the website on all of them.

We also found that typing in www.alp351.com/1.html cuts through a lot of confusion, bringing the website to the top of the search results
