Commander's Corner

HOW DEE,

Not much to chirp about this month, but I'll try.

Well, our hopes of Home Depot re-doing our back screened room are, for all intents and purposes, over. They told John Ebling that the initial bid for a grant of \$30,000 was denied. The local store is still coming here to do some landscaping, new screens, clean and paint the porch floor, paint the meeting room and install some new fans and lights. That'll work. Thanks for all the effort put out by John in seeing this project through.

We've had a couple of plumbing issues resolved, "Thanx" to Joe the plumber and Tony Burton. We've also had lighting installed in the shed. "Thank you" Steve Leyes. SSHHH! Keep this quite as we forgot to get a permit. And I thought a permit was a fish!

Steve Urban has been busting his butt getting things squared away in the office. New puter, easier software, back-ups, forms, etc. We are finally getting on track and running pretty smoothly. "Thanx Steve".

Thanks to Bill Vernay and his white doves. He lends them to us for our memorial services. What a beautiful sight as they fly away back to their home.

I usually don't harp on this but our membership renewal rate sux! We are next to last in the District with 72%. Last year we were 98%. I know the handful of you who read the news letter are paid up so I am asking you few to encourage others to renew. If we don't sustain our membership, we cannot survive very long. Please help to keep us kicking.

Thanx to our ladies, Cindy, Judy, Becky, Dorina, Connie and Carrie for decorating the place for the District meeting and all the other functions. You are always there for us and you do a great job

And Thanx to Thad for his work on our web site and our news letter and to "Hoppin Johnny" for all he does around the Post.

Don't forget, at our next meeting we will begin the first round of our Post Officer's nominations. Don't be afraid to jump in and help us. It ain't that hard.

That's it for now folks. Stay healthy, Wealthy and wise. See you at our potation location!

Yours in service,

Dave Doty
