## Commander's Corner

Well, on Nov. 6th we have a National election. This will be the most important vote of our lives as the future of OUR COUNTRY hinges on the outcome. I think most of you know what I mean. Please express your right to vote (while we still have it) and go do it. Vote with your brains and not your affiliations.

Thanx again for the awesome job our ladies did on catering to the Calusa Vets. And to the "Pit Crew" who fixed big George's power chair. We had a scary moment there when the back wheel set broke off going up the ramp....everything is OK. The next they will be visiting us will be Nov. 10th at 1:00 with Bobby Hubcat and his music.

"Thanx" also goes out to Dorina, Juke box George and Mary for cleaning the ceiling tile frames. Now we are gonna get new tiles....soon. Anyone who wishes to keep their old tile may do so by letting us know before we scrap them. We will replace all of them at once. If you want a tile and a certain space, let an officer or a bartender know and it will be saved for you. We will put a piece of tape on it with your name stating it's yours. The full sized tiles will be \$10 and the smaller ones will be \$5. The printing and/or animation will be entirely up to you and your folding money. Try to keep them suitable for your grandchild to read, Flash! The spaces allotted will be first come first served.

"Thanx" also to Bruce the SALAMANDER for fixing the back room crapper and to Juke Box George for the waxing of tiles in the lounge area. Also "Thanks" to Steve, our resident electrician, for doing the wiring to our soon to be hooked up tankless water heater. And finally, to the three who are here daily doing chores that we all take for granted, Hoppin Johnie, Steno Steve and Thad the tech. Thad has been building a new puter for all to use in the meeting room.....don't ask him how it's coming, he's a hit man ya know.

Mary informed me last week that our gross income is down \$3,000 from what it was last year at this time. We need customers....God knows I'm doing my part as are some of you as well. The snowbirds should be coming back soon and that will help a little but Tijuana East is hardly a big drawing card.

There are many things going on throughout the County around Veterans Day. They are all posted on our bulletin boards for your perusal.

Taps! Long time member Doug Tyron has passed. We haven't seen him lately so I don't know any details but our prayers and condolences go out to his family.

That's all my feebleness will allow me to spew for the moment. with that, I wish all a Happy Turkey.

**MONTHLY MUSINGS:** Change is inevitable, except from a vending machine! Why do models walk down the runway? Finally, Marriage has many pains, but celibacy has no pleasures!

Stay healthy and safe all.

Yours in service,

**Dave Doty**
