Commander's Corner

Howdy handful,

This is my sayonara as your commander. Like the popular TV show "Eight is enough"me too. But I will still be involved...this is my Post, always has been, always will be.

I would like to take this time to let everyone know who has not only helped me, but helped make our Post successful. From the bottom of my heart, "THANK YOU SO MUCH" for being there when you were needed and for being there when you were asked to do stuff. I was never let down....well maybe a few times, but all in all, you people are the best. I don't have the memory bank left in my head to thank you all individually, but you know who you are. Awesome job, troops!!! We didn't win any awards this year but we all know what we did for our Vets, both active and inactive, and one of the four pillars of the American Legion is to take care of our veterans....and we did a damn good job of doing that. STAND PROUD 351!!!!

We have new leaders coming into our Post this year and they are going to need your assistance and guidance in helping to keep our Post going strong. I have all of the confidence in our membership that the help they ask for will be forthcoming. If the membership cooperates with the incoming Officers as you have with me in the past, we will continue to prosper. Please stand by them as you have stood by myself and Cindy.

The pickin's are slim on the ceiling tiles. They are not only going fast, they are almost gone.....ya'd better get your spot soon. We only have a few arms and legs left!!! Organs next!

The Calusa vets will be here on June 8th. Once again, I will not be able to be here as I will be at Department Convention...my last one...to vote and pick up our cards. The vets arms were kind of twisted into having pizza on their next trip....the ladies need a break....no problem...save me 2 slices please!! The entertainment is up in the air as Bobby Hubcat was way out of order on his last visit. We might just give Flash \$25.00 to play the juke box. Hide and watch!

Speaking of the machines in the Post, you have probably noticed that the slots are gone. When I was last in Tallahassee for the Florida Veterans Council meeting, we got word that basically all machines, except pull tabs, were illegal. Being that Mary and I have been warned numerous times about illegal stuff we were doing at the Post, we freaked out. On their last visit when they took our stuff, they told us that they were done slapping our wrists. The next time they would slap our wrists with cuffs. So I decided to err on the safe side and got rid of the slots. The legislature did not see our pleas about fund raising for vets and left us out in the cold. Possibly, when our lobbyists convince them that we need the machines to help fund what we do, we will be exempt and bring them back...til then....sorry! As a matter of fact, the new law reads that if this is violated, the owners of the machine, the players of same and the facilitators (that means officers) are guilty of a 3rd degree felony. You be the judge!

Installation of the Post Officers will be June 15th at noon. There will be NO POST MEETING that morning...no need.

Please welcome Dawn and Bill into our home.

With nothing else I can remember to report, "THANKS AGAIN FOR ALL YOUR HELP, SUPPORT AND FRIENDSHIP" I love you all!

I can't forget these;

MONTHLY MUSINGS: In time of war, any piece will do!
A washer and dryer combo is the Bermuda triangle for socks!!

Love ya'
