Howdy All

The summer is half way over and before we know it the Snow Birds will be coming back.

The Calusa Vet's had a great time. Thanks to the Ladies Aux. for all their help in putting this event on every month.

The Ladies Aux. "What the hell party" was a smash hit. Fun and music was enjoyed by all. The first annual Post 351 egg toss was canceled due to lighting and is being scheduled for our Labor Day Party.

Bo Shramm will be helping keeping our A/C system in tip-top shape and is also saving us some money. Thank you Bo!

The post will be installing a new alarm system. Thanks to Dave Doty for doing the research. Not only will the post save money but the birds will stop chirping every time a door opens.

The Doty & Comings laptop duel was also canceled and will be held at our Labor Day Party. It's Lenovo vs. Toshiba, China vs. Japan - eat your heart out Bill Gates!! It will be a smashing good time.

Thanks to Irish John for donating a new Post Everlasting Board and for Dave & Johnny for putting it up.

Also thanks to Dave & Johnny for fixing the A/C return filter duct, even tho it was sort of a cluster ** .**

Thank you again everyone.
