## *Commander's Corner*

**Howdy some,**

**Well the new Officers have been installed and all had a good time. The men still have some openings on the board. I wish more of you would get involved with our doings. The meetings are on average, 15 minutes long. We don't mess around, just get to the important stuff. Besides, our drinks are getting warm at the bar. Please consider helping us help you.**

**Our Calusa Vets and friends will be here on Aug. 8th at 1:00 PM. Music will be Rick Norris and chow will be spaghetti and meat balls with garlic toast and salad and whatever else comes in to be consumed. I don't know yet if Carol and I will be back from Indiana by then, but we'll try. Our Grandson is home from Qatar and we want to spend some time with him and our new Great Granddaughter #3. Pretty much have to go on his schedule.**

**As you may have noticed, we have a new juke box and an ATM machine. We are still fine tuning the boom box with more speakers and the proper placement of them. This box is a little more stingy than the last one. You only get 3 plays for a buck by certain artists. Sarah is working to get more on there. As for the ATM machine, it will cost you \$2.00 per transaction. That is what the owners have to have. I could have set it up so the Post could profit as well, but I declined the offer. We are OK financially and I don't like ripping my people off. Also on the ATM, if something goes wrong, i.e. you get ripped off, the Post is NOT responsible. You will have to call your card company to square that away. The number is on the back of your card.**

**Just to let you all know, I have been appointed District 13 Historian for this year. I agreed to do this because the District Commander and I have been friends for a long time and I knew he would make it fun. So far, he has. This also puts us in position for some favors we might need done. The Legion's biggest lie, "There are no politics in the Legion." Trust me, I know how to play the game, tactfully. I don't think we'll need any favors, but, just in case.**

**Here is a pet peeve of mine. The meeting room is a meeting room. It is not a warehouse for junk. It took 3 of us about 4 hours to clean out and throw away all the crap that was placed in there. This will stop. I will ask once who it belongs to, why they brought it in here and when they are going to get it out. Once!! Then I will throw it out myself if I have to. Same goes with the Stuff Locker and the shed. This has to stop and it will. We are not Goodwill. They will gladly accept the junk.**

**Well, I can't think of any more items to rant about so I'll check out for now. Til next time, stay healthy and safe.**

Yours in service, Dave Doty

**POINT TO PONDER: Life is all about ass!**

**You are either busting it, laughing it off, kissing it, kicking it, working it off, covering it, trying to get a piece of it or acting like one! After three Crown Royals, I am the later.**

## *American Legion Auxiliary*

**Hello All...**

**Thanks to everyone who came out and supported our Calousa Harbour Veterans! Especially the cooks, servers, set -up and clean- up crew!!!!**

**The Calousa Harbour Veterans will be here Saturday, August 8<sup>th</sup> at 1pm. Spaghetti, garlic bread and salad will be served for only \$3.00. We will also have entertainment. Please come and support these World War II and Korean Veterans and our post!**

**We are collecting school supplies: paper, crayons, pencils and glue sticks. If you don't like to shop you can make a monetary donation and we will do the shopping for you!**

**Congratulations to all the 2015-2016 Post 351 officers! We look forward to a very successful year!**

**If you would like to volunteer for a function or just want to help out please contact Judy Crocker or one of our other officers. Together we can DO IT! It does not take a lot of time and the more volunteers we have the less amount of work it is for all of us!**

**The 2016 membership cards are here! Please pay your dues asap! Please attend our August 13<sup>th</sup> Auxiliary meeting at 6pm. Your support and ideas are greatly appreciated!**

**Save those manufacturer coupons. The troops can use them up to 6 months after the expiration date. If you have any extra just bring them to the post. You don't even have to clip them.**

**Save those pill bottles and tabs!**

**Thank-you for all your support! For God and Country,  
Judy Crocker – President**
